Directive 2011/65/EU, as amended (RoHS)

Directive 2014/30/EU, as amended (EMC)

Directive 2014/35/EU, as amended (LVD)

Commission Delegated Directive (EU) 2015/863, amending Annex II to Directive 2011/65/EU

European Union Regulation:

Regulation (EU) 2023/1542, as amended

6. References to the relevant harmonised standards used or references to other technical specifications in relation to which conformity is declared:

Slovak Standards:

STN EN 60598-2-4:2018 As amended

STN EN IEC 61547:2023 As amended

STN EN 62133-2:2017/A1:2021 As amended

STN EN IEC 55015:2020 As amended

STN EN IEC 60598-1/A11:2025 As amended

STN EN IEC 63000:2019 As amended

European Standards:

EN 60598-2-4:2018 As amended

EN 61000-3-3:2013 + A2:2021 As amended

EN IEC 61547:2023 As amended

EN IEC 55015:2019/A11:2020 As amended

EN IEC 60598-1:2024 + A11:2024 As amended

EN IEC 61000-3-2:2019/A1:2021/A2:2024 As amended

EN IEC 63000:2018 As amended

EN IEC 62133-2:2017/A1:2021 As amended

7. Additional information

The product is designed for safe operation using an external certified Safety Extra-Low Voltage (SELV) power source and is classified as Protection Class III with regard to protection against electric shock.

The product has been designed and manufactured so that, under normal and intended conditions of use, it does not endanger the health or safety of persons, domestic animals or property.

The technical documentation is retained by the manufacturer.

Place of issue: Bratislava, Slovakia
